

# HOSPITALITY PACKAGE FOR ELITE ALLIANCE'S RENTAL PROGRAM

# Hospitality Package

Owners who wish to participate in Elite Alliance's Rental Program must adhere to our Residence Furniture Standards to ensure your residence is well prepared for welcoming vacation rental guests. Owners are required to purchase a hospitality package through Grupo Espiritu which includes operating supplies and equipment, drapery, electronics, bedding, linen, and terry. We recommend owners purchase the full package from Grupo Espiritu as every item has been carefully hand-picked for its quality and service. However, some items within the package can be omitted and obtained by the owner, as long as they meet our Residence Furniture Standards.
